

## ACADEMY Family DIRECTORY

Our goal is to have the center directory available to families by mid October. Please help us by completing the release of information form and returning it to the center ***by mid September***. The information on the form will be included in the directory to be shared with other Academy families at your child's center. Only include the information you want shared. If there is more than one residence for a student's parents, that information can be included on this form or a separate attachment.
